#### Infosys

## 5. Experience (Internships & Work)

### Pradhan Mantri Kaushal Vikas Yojana (PMKVY) Soff group Web solution (Since March 2024)

#### About the Role:

We are seeking a motivated and enthusiastic Web Development Intern to join our team. This internship will provide hands-on experience in building and maintaining websites and web applications. You will work closely with our developers, gaining exposure to modern web technologies and best practices.

#### Responsibilities:

- Assist in developing and maintaining responsive websites and web applications.
- Write clean, efficient, and reusable code using HTML, CSS, JavaScript
- Collaborate with designers and backend developers to implement UI/UX features.
- Test websites for functionality, performance, and responsiveness across devices.
- Participate in code reviews and team meetings to enhance development skills.
- Troubleshoot and debug issues as they arise.
